Harold Weisberg

Can you tell me when your new book POST MORTEM Suppressed Kennedy Autopsy will be published.

Do you know where I can get a copy of Dorthy Kilgallen's transcript of Jack Ruby's testimony before the Warren Commission as it was published in the Journal American in serial form?

Is the Dallas Cinema Associates still selling the movies of The Kennedy Assassination, if so where can I buy them, Also I would like to know where I can get pictures of the nine X-rays of Governor Connally's body as shown in volume XVll of the commission evidence.

Yours truly
